Landa SEA • Stainless Steel Cabinet Style Cold Water Pressure Washer

This pressure washer is specially built for use in the food service or institutional market, where typically the customer supplies their own hot water to the unit.

A Stainless Steel Cabinet Style Cold Water Model, this unit is specifically designed to handle increasing water temperatures up to 175°F. Can be supplied with time delay shutdown or Auto Stop/Start. Can also be ordered with a Wireless Remote Control System to allow up to two chemicals to be dispensed at the cleaning locations.

Features:

- Belt Driven
- Thermal Pump Protection
- Stainless Steel Cabinet
- Inlet Filtration
- Handles Water Up to 175°F
- 50 ft. Hose Rated for Up to 6000 PSI
- Insulated Stainless Steel Variable Pressure Wand

Options:

- Wheel Kit
- Detergent Jug Rack
- E-Zee Hose Reel
- Wireless Remote Control System (as shown below)
