PORTABLE INFRARED HEATER

RADIANT SERIES

"Own the Sun"

The most fuel efficient space heater on the market

This heater starts up in seconds and reaches peak efficiency in less than a minute. Since it does not lose heat to the air, it uses less fuel and BTU's. It goes way beyond the comfort level of any standard portable heater.

- Odorless Indoors / Best Choice for Outdoors**
 Perfect combustion system produces no odor and no smoke while running. The exhaust gas goes upward. Performance is unique in the outdoors and is unlike air heaters which lose heat from wind and cold air.
- No Air Movement – Dust Free**
 Generates straightforward infrared heat which is unaffected by air flow, thus creating a comfortable and dust-free environment. Radiant heat penetrates evenly on and into surfaces just like sunlight.

★ Will operate from truck 12V auxiliary socket with DC Inverter ★

Specifications

Type	KBE5S	KBE5L	KBE1JA
Heat Output	111,000 BTU/hour	111,000 BTU/hour	137,600 BTU/hour
Fuel/Tank Capacity/Fuel Use	Diesel/9 Gal./0.85GPH	Diesel/15 Gal./0.85GPH	Diesel/15 Gal./1GPH
Power	120V, 60Hz/100 W	120V, 60Hz/100 W	120V, 60Hz/100 W
External Dimensions (Inches)	36.1Lx25.8Wx27.3H	40.2Lx28Wx27.4H	36.4Lx26.1Wx37.6H
Weight	83.8 lbs.	88.2 lbs.	116.9 lbs.
