Vehicle & Equipment Detergents

ALL PURPOSE CLEANERS

FILM FIGHTER Multi-Purpose Fleet & Pressure Wash

This premium heavy duty pressure wash detergent contains special penetrating chelating, wetting, grease cutting, and rinsing agents, which quickly penetrate soils and remove them. FILM FIGHTER PLUS easily removes exhaust deposits, road film, dirt & most salt residue from painted vehicle surfaces.

CLEAN SHINE Premium Truck & Bus Wash Detergent

Clean Shine is a premium no-streaking pressure wash detergent specifically designed to be safe on all surfaces including paint, glass, mirrors, chrome and anodized aluminum. Rinses freely, leaving a bright, spot free surface. It is also mild enough for hand washing applications.

SUPER FOAMY Premium Vehicle Pressure Wash Detergent

Using the Power America™ Applicator System, Super Foamy clings to the vehicle surface like whipped cream. This allows a longer time for the Super Foamy detergent to work . . . And it rinses faster using less water and makes for less time chasing bubbles.

HEAVY DUTY CLEANERS

RENEW Premium Deep Penetrating Grime Buster

Extremely effective on faded surfaces. Grease "runs off" and old colors are renewed.

HEAVY DUTY * Highly Concentrated Pressure Wash Detergent

A heavy duty cleaner that removes heavy grease, oil, and dirt from metal or concrete surfaces. It is 100% water soluble. This remarkable product also helps prevent corrosion by leaving a protective monomolecular film on the surface.

ALUMINUM SURFACE CLEANERS

MASTER ATC * Premium Acid Based Cleaner

A powerful acid aluminum trailer cleaner for removal of road films, diesel smoke, iron oxide and white rust - in just seconds. Restore the like-new appearance to aluminum trailers without scrubbing.

MAGNUM * Polished Aluminum Cleaner

A ready to use heavy duty acid cleaner for use in cleaning polished aluminum and stainless steel. This revolutionary product will effectively remove heavy stains, soot and road films as well as remove the corrosion and oxidation from the polished surfaces. Contains inhibitors that will protect surface from pitting and etching.

NON ACID TRAILER CLEANER * Heavy Duty Non Acid Truck & Trailer Wash

An economical and concentrated non-acid formulation for cleaning of dirty and weathered aluminum trailers. Also makes a great cleaner for heavy duty machinery and equipment. Excellent for cleaning grease, oils, fats, and dirt from other surfaces. This product contains additives that provide a foaming action while reducing corrosion of the metal. Unlike other aluminum trailer cleaners, NATC contains no hydrofluoric or sulfuric acids.

DEGREASERS

SUPER BLUE Heavy Duty Butyl Based Cleaner

A heavy duty butyl based non caustic degreaser for removal of grease, heavy soils, carbon, and soils. Works on almost any surface. Contains no acids or petroleum hydrocarbons.

CITRUS GSR Heavy Duty Citrus Cleaner

An environmentally safe natural citrus solvent degreaser formulated to emulsify oils and grease. This product will penetrate deep, removing the toughest grease and oils without heavy scrubbing.

PARTS DETERGENT

FORMULA 302 Powdered Low Foam Detergent

For hot soak tanks or hot spray cabinets. Mix ¼ to ½ lb. for every gallon of water in heated solution of 120° to 180°. This is a low foam product.

WAX

ULTRA WAX Spray Wax Protectant

This premium clear spray wax will provide excellent beading and will leave surface with a protective coating. Environmentally formulated and contains no phosphates, caustic acids or solvents. Mix 200 to 1.

WINTER PROTECTION

SALT GUARD XTRA Salt Remover & Metal Protector

A concentrated liquid for the removal of salt and inhibition of corrosion to a wide variety of metals, especially iron. Salt Guard Xtra will leave behind a temporary barrier to fight the effects of salt on metals, prolonging the quality of vehicles and salting equipment. This product is safe for use on a variety of surfaces including: Aluminum, chrome, gel coats, glass, iron, paint, plastic, rubber, and stainless steel. After application, no rinsing is necessary.
