Film Fighter Plus

Multi-Purpose Fleet & Pressure Wash

WHAT IS FILM FIGHTER PLUS?

This premium heavy duty pressure wash detergent contains special penetrating chelating, wetting, grease cutting, and rinsing agents, which quickly penetrate soils and remove them. FILM FIGHTER PLUS easily removes exhaust deposits, road film, dirt & most salt residue from painted vehicle surfaces.

APPLICATIONS:

- Mobile Pressure Washing
- Manual Systems
- Trucks & Trailers
- Heavy Duty Equipment
- Engines & Compressors

6165 -5	5 Gallon Pail

TECHNICAL DATA:

Color.....	Blue
Odor.....	Faint
pH.....	12.8
Form.....	Liquid
Flash Point.....	212°F
Foam.....	Moderate
Biodegradable.....	100%

"Phosphate Free"

BENEFITS:

- Specially formulated for deep penetration of exhaust, road film, and salts
- Leaves any vehicles surface streak free
- Sheeting agents break water from surfaces for ease of rinsing
- After drying glass and vehicles will be spot free
- Unlike most pressure wash detergents, Film Fighter Plus is a low to no odor product
- Film Fighter Plus can be used for fleets of vehicles as well as deep cleaning of heavy equipment.
- Film Fighter Plus is designed to be used in pressure washing equipment as well as down stream injectors

DIRECTIONS FOR USE:

For best results apply at high temperature, with high pressure at recommended dilutions to dry surfaces holding the pressure wand 12 inches from the vehicle at a slight angle to blow solution and dirt away from the operator, working from the bottom to the top with cleaning solution to avoid streaking, and rinsed with clean water from the top to the bottom before the cleaning solution has been allowed to dry.

Dilute FILM FIGHTER PLUS with up to 100 parts water. Stronger solutions of up to 35 parts water may be used for cleaning the heaviest soils.
