HEAVY DUTY

Heavy Duty Concentrated Pressure Wash Detergent

WHAT IS HEAVY DUTY?

A heavy duty cleaner that removes heavy grease, oil, and dirt from metal or concrete surfaces. It is 100% water soluble and will prevent clogging of coils in steam cleaners and pressure washers. This remarkable product also helps prevent corrosion by leaving a protective monomolecular film on the surface.

APPLICATIONS:

- Pressure Wash
- Mobile Wash
- Heavy Duty Cleaning
- Heavy Duty Equipment
- Internal Tanks & Tank Wagons
- Hot & Cold Water

BENEFITS:

- Specially formulated for deep penetration of heavy baked on oil, grease, and dirt.
- High foaming and economical allowing for multiple concentrations and applications.
- Contains materials to coat heating coils and prevent corrosion to both iron & yellow metals.
- Contains sequestering & chelating agents to prevent scale build up on coils when used on a regular basis.
- Safe for use on all non-painted metal surfaces and concrete.
- Heavy Duty Cleaner is biodegradable and 100% Soluble allowing it to be used in almost any pressure wash system.
- Contains no dangerous acids or abrasive chemicals

Product Reorder No:

6166-55	55 Gallon Drum
6166-30	30 Gallon Drum
6166 -5	5 Gallon Pail

DIRECTIONS FOR USE:

For best results, apply at high temperatures, with high pressure at recommended dilutions to dry surfaces, holding the pressure wand 12 inches from the vehicle at a slight angle to blow solution and dirt away from the operator. Dilute as needed until effective cleaning is achieved. Initial suggested dilution is 128:1. Stronger or milder solutions may be made if necessary. The suggested uses of this product do not constitute a guarantee.

TECHNICAL DATA:

Color.....	Red
Odor.....	Faint
pH.....	13.5
Form.....	Liquid
Flash Point.....	212°F
Foam.....	High
Biodegradable.....	100%

"Phosphate Free"
