Undercarriage Washer and Surface Cleaner

**Are You
Ready?**

**Spring is here.
And so is the ... MUD**

You can't grease them, if you can't find them!

Use your existing Pressure Washer
without crawling under your truck.

It's as easy as coupling your
hose to our NEW Undercarriage
washer and guiding it under
your chassis.

And now you can use it as a Surface
Cleaner, too! Great for cleaning
hard surfaces like garage floors
and exterior walks and ramps.

* Surface Cleaner Modification Kit
Available for older models.
