Salt Guard Xtra

Concentrated Salt Remover & Metal Protectant

WHAT IS SALT GUARD XTRA?

A concentrated liquid for the removal of salt and inhibition of corrosion to a wide variety of metals, especially iron. Salt Guard Xtra will leave behind a temporary barrier to fight the effects of salt on metals, prolonging the quality of vehicles and salting equipment. This product is safe for use on a variety of surfaces including: aluminum, chrome, gel coats, glass, iron, paint, plastic, rubber, and stainless steel. After application, no rinsing is necessary.

APPLICATIONS:

- Trucks
- Salt Trucks
- Snow Plows
- Salting Equipment
- Tractor Trailers
- Heavy Duty Equipment

"Phosphate Free"

BENEFITS:

- Prolongs the quality of metals and vehicles.
- Specially formulated for heavy duty equipment and salt applicators.
- Will help prevent the formation of rust.
- Reduces the maintenance costs for vehicles and equipment.

DIRECTIONS FOR USE:

Read the entire label and Material Safety Data Sheet before using this product. Always test on an inconspicuous area before using.

1. Clean vehicles and surfaces before application.
2. Dilute Salt Guard Xtra with up to 25 parts water. Stronger Solutions will provide better results.
3. Apply solution with a low or high pressure applicator. Use warm water if possible.
4. Allow surfaces to dry.

SPECIAL NOTE:

Rinse surfaces then apply Salt Guard Xtra. Do not rinse after application. Regular application of Salt Guard Xtra will provide optimal results.
